

## St. Mary of the Lakes Car Rider Line Information and Procedures

- While Parents/Grandparents/Guardians are using our school car line on school property they must follow the rules of the law. **NO CELL PHONE** use is permitted at any time.
- Please follow the directions of the teachers and staff who are directing traffic on the line.
- Parents may join the car line by entering the school property from Rt. 70. Make a left turn and follow the car line along the curb of the left side of the school. There are orange cones set up in the parking lot in the rear of the school for drivers to follow.
- **DO NOT** pass any car while in the car line
- Drivers are asked to stay in their cars while on the car line.
- **DO NOT** allow gaps in the line. Pull up behind the car in front of you.
- Parents should tell their child/children if they are going to be a “special” car rider.
- Students should have a written signed note from a parent if they are going to be a “special” car rider. Students should have a written signed note from a parent if they are permitted to go home in a car with another student’s parent.
- Parents should advise their child/children to look for their car.
- Parents should advise their child/children if someone other than a parent is picking them up in the car line and what their car looks like.
- On Rainy Day or inclement weather dismissal, parents will get a Honeywell text indicating that there will be a Rainy Day Dismissal at our school. When it is a Rainy Day Dismissal, parents are asked to park in the parking lot in the rear of the school. Enter the school Auditorium on the right from the entrance door nearest the playground. Your child/children will be sent to the school Auditorium and will meet you there. Look for your child under the letter signs that are hung up around the side walls of the Auditorium. They will be standing under the letter sign of the beginning letter of your last name. When you exit the Auditorium, please walk across the front of the Auditorium and exit from the door near the kitchen and walk down the ramp.
- It is most important to all of us that the car rider line motto is, **“SAFETY FIRST.”** Please look out for students walking in the car rider line and for the teachers and staff who are directing traffic on the car line.
- Be aware of the speed limit on the streets surrounding the school property. Remember we always try to be **GOOD NEIGHBORS** to the families who live in the neighborhood surrounding our school property and where the car rider line exits.
- A map of the car rider line and of the rainy day dismissal is included in these instructions.
