For K-2nd graders

These wonderful, hands-on classes feature a variety of fun observations, experience and crafts add to the fun and learning for your junior entomologist! We'll also explore various animals from around the world, see how they live each day and behavioral adaptations. Become a Zoologist in the classroom.

\$85.00 for 6 classes ~ 1 hour each

Classes will be held on Mondays, 3:15-4:15pm
Starting Mondays, Nov. 12th - Dec. 17th
