

St. Mary of the Lakes School

After School Program Open to All SML students grades: 5-8
Fall Session 2018

Bricks 4 Kidz® after-school classes build on the universal popularity of **LEGO®** bricks to deliver a high quality of educational play emphasizing – S.T.E.A.M. (Science, Technology, Engineering, Arts and Math) Each 1.5 hour long class is an enriching experience for your child. Kids build a new project each week using the Hottest selling **LEGO®** brand **Mindstorms EV3** combining classic **LEGO®** building with the world of **robotics**, using **motors, sensors, and software**.

Students will learn how to design and program **LEGO®** 'bots' that can perform all kinds of tasks! Mindstorms software lets you place icons in sequence to design the commands you want. It's easy to learn and teaches **basic programming logic**.

This **6 week session (1.5hr)** is a fun and challenging introduction to the world of robotics for the advanced **LEGO®** enthusiast!
