**One of our biggest fundraisers!** Our school raises over \$10,000 in profit each year from the Grocery Card Fundraising Program. Grocery cards for ShopRite, Murphy's and Acme Food Stores are offered for sale throughout the entire year. Purchasers buy the cards at face value and the whole value is available to spend at the store. These stores give back 5% of each gift card purchased, and the PTA contributes that money to our school.

**Where to Purchase:** Grocery cards will continue to be sold Monday - Friday in-person at the School Office and Parish Office. *New this year*, grocery cards will be available for purchase through the SMLS website in two ways:

**Backpack Express:** Obtain a grocery card order form from the PTA section of the SMLS website. Place both your order form and payment in the Grocery card zipper bag and send to school in your child's backpack. Receive your cards back in your child's backpack on Friday.

**Online Payment:** Pay for grocery cards online in the PTA section of the SMLS website. Receive your cards back in your child's backpack on Friday.

(There will be a small fee added to online payment orders. If you would prefer not to pay the service fee, you can still order cards in-person or through Backpack express.)

**Purchases really add up!** 5% of your purchase total is credited toward our fundraising goal.

Purchase \$150 of cards every week during the school year and you will contribute \$300 towards our financial goal. ( $\$150 \times 40 \text{ wks} \times 5\% = \$300$ ).

*If you regularly purchase grocery for your family, for gifts, or for service you participate in, you may find this an easy way to contribute to our school without additional out of pocket spending.*
