

Dear Families,

This year we will be creating and selling a St. Mary of the Lakes School & Parish cookbook. To help us along with this exciting project we would like to ask every family to submit at least one (1) family favorite recipe or one that you feel represents your family. It could be an appetizer, main dish, desert or even just a quick snack.

You can contribute by emailing the recipe to smlsrecipes@gmail.com. Please provide your family last name and ID # in the subject of the email. Also, please include if your dish is an appetizer, main dish, etc. If you prefer to send the recipe in with your child, you can do so by addressing the envelope to the main office- c/o Meg Artman- family recipe cookbook.

The deadline for the recipe book is **Friday, March 1, 2019**. After the 1st of March, we will be sending them off to be printed and then they will be available for sale.

We look forward to receiving your recipes and thanks again for all your support.
